 IP20, Class 2 (Double isolated), 230V
 GU10, Max. 50W, Light source incl. 5,5w led

Area: Indoor
 Energy class A+
 Transformer/driver placement: I lampen

Pavonis is a classic round downlight for indoor use with a dimmable 345lm GU1 bulb, which contributes to a very good quality of light. The downlight has improved colour reproduction, which makes the colour of the illuminated objects appear more natural. Furthermore, the downlight is produced with improved colour uniformity, which makes Pavonis particularly suitable where uniform lighting is required.

Lightsource info (pr. light-source)
