

DADO 5

Apparecchio decorativo a led, da interno ed esterno, per applicazioni incassate a parete o a terra. La forma geometrica e semplice permette l'installazione in ogni tipo di ambiente. Particolarmente adatto per eliminare gli abbagliamenti e creare un effetto cubo di luce riflessa. Corpo in alluminio, verniciato bianco.

Decorative led luminaire, for interiors and exteriors, wall or ground recessed installation. It can be installed in any place thanks to its geometrical and simple shape. Glare free thanks to the indirect light emission. Body in painted aluminium.
