Cord: 300 cm, Black textile cable
Can the cable be replaced? No
E27, Max. 60W, Light source not included

Area: Indoor
Energy class A++ - A

Moku was designed by Dane Bønnelycke mdd and is a pendant lamp with a modern look that stems from the beautiful, natural materials: metal and wood. The design has been created to provide a glare-free light. The name is connected to the wooden fixture, included in two different designs for a personal expression. For a simple and pure expression, the wooden fixture can be omitted.
